NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**ORGANIZATION AND PURPOSE**

The Foundation for Global Peace Building d/b/a Global Peace Building Foundation (GPBF) is a Pennsylvania nonprofit corporation. Its mission is to contribute to the building of global peace by supporting organizations and projects that restore, rebuild and transform relationships that have been broken due to prejudices, stereotyping, hatreds and fears that may have accumulated over generations.

**NOTE (A) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**FINANCIAL STATEMENT PRESENTATION**

GPBF is required to report information regarding its financial positions and activities according to two classes of net assets: net assets without restrictions, and net assets with restrictions.

**NET ASSETS WITHOUT RESTRICTIONS**

The part of net assets that is not restricted by donor imposed stipulations. These assets may be expended for any purpose by the board to carry out operations in accordance with its bylaws.

**NET ASSETS WITH RESTRICTIONS**

The part of net assets resulting from contributions and other inflows of assets whose use by the organizations is limited by donor imposed stipulations that are satisfied by the passage of time or can be fulfilled by actions of the organizations pursuant to those stipulations.

It is GPBF's policy to report restricted contributions as net assets without restrictions when those restrictions are met in the same fiscal year.

**ACCOUNTING METHOD**

The accrual method of accounting is used for both financial statement presentation and tax reporting purposes. Under this method, revenue is recorded when earned and expenses are recorded when incurred without regard to the time of cash receipt and disbursement.

**AMORTIZATION**

The straight-line method for computing amortization is the same for both financial statement and tax reporting purposes. Certain organization start-up costs are being amortized over a five year period, and are completely amortized as of 2022 and 2021, respectively.

**ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that may affect the reported amounts of assets and liabilities at the financial statement date, and the amounts of revenue and expenses during the reported period. Consequently, actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2022 AND 2021**

**NOTE (A) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**FEDERAL INCOME TAXATION**

The Internal Revenue Service has made a determination that GPBF is not a private foundation and is exempt from federal income taxes pursuant to Internal Revenue Code Section 501(c)(3). Accordingly, no provision has been made for such taxes in the financial statements. Management believes there are no adverse circumstances or positions taken which would affect the tax status of GPBF.

Contributions to GPBF qualify for the charitable contributions deduction to the extent provided by Section 170 of the Internal Revenue Code.

**NOTE (B) SUBSEQUENT EVENTS**

GPBF evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through February 10, 2023, the date on which the financial statements were available to be issued, for such recognition or disclosure.
